**Realttime Solutions Group Names Craig Wolff as
Director of Business Development**

June 26, 2008 (Woodridge, IL) – Realttime Solutions Group LLC, the pioneer in e-business solutions and straight-through-processing software for life and health insurance, has named Craig G. Wolff as Director of Business Development. In this newly created position, Wolff will be responsible for leading the company's sales efforts for its rapidly growing Realttime eBusiness™ and Realttime STP™ solutions.

"Craig comes to us with broad experience in the life, reinsurance, and long term care markets," said Gregg Antenen, president of Realttime. "His knowledge of the industry, extensive contacts, and sales expertise will be instrumental in the future growth of Realttime."

Wolff has more than 30 years of experience in insurance and reinsurance. He has operated his own consulting practice, and previously led the Chicago sales team for Employer's Reinsurance Corp. (ERC) where he was responsible for marketing capital management, mortality, and health reinsurance solutions.

Wolff holds CLU and FLMI designations, and graduated from the University of Wisconsin-Whitewater with a BBA in Management.

#####

About Realttime

Realttime Solutions Group is the pioneer in developing straight-through-processing technology and providing innovative deployment strategies. Realttime STP™ is its industry-leading new business software platform, which is reducing costs and creating competitive advantage for Realttime clients. The Chicago-area company has also created Realttime eBusiness™ solutions. Realttime eBusiness uses the sophisticated quote and apply technology from Realttime STP in a

standalone solution. Modules include a New Business Web Portal that contains Realtime eApplication and Realtime eSignature, and an innovative Automated Application Evaluation module that automates field underwriting using online third-party data from Realtime Data Bureau™ with a rules-based decisioning engine. For more information about Realtime and its products and services, please visit its web site at www.RealtimeSG.com.
