Realttime Solutions Group Moves to Larger Headquarters

May 5, 2007 (Woodridge, IL) – Realttime Solutions Group LLC, the pioneer in e-business solutions and straight-through-processing software for life and health insurance, has relocated its headquarters to 900 S. Frontage Rd., Suite 125, Woodridge, IL 60517. The phone numbers remain the same.

“Our expanding client base has required additional staffing and we grew out of our initial space in just two years,” said Gregg Antenen, president of Realttime. “The new office gives us plenty of room to grow and enhances employee productivity.”

About Realttime

Realttime Solutions Group is the pioneer in developing straight-through-processing technology and providing innovative deployment strategies. Realttime STP™ is its industry-leading new business software platform, which is reducing costs and creating competitive advantage for Realttime customers. The Chicago-area company has also created Realttime eBusiness™ solutions. Realttime eBusiness uses the sophisticated quote and apply technology from Realttime STP in a standalone solution. Modules include a New Business Web Portal that contains Realttime eApplication and Realttime eSignature, and an innovative Automated Application Evaluation module that automates field underwriting using online third-party data from Realttime Data Bureau with a rules-based decisioning engine.
